

Dear minister

Re: Inquiry into access to services and information in Auslan

I am writing to you regarding the 2022 ACT parliamentary inquiry into access to services and information in Auslan, where the final report was presented on Thursday 9 February 2023. I am hoping to seek your support in ensuring that the ACT government adopts the 25 recommendations put forward in the report.

My name is _____, and I am a proud member of the deaf community who communicates in Auslan. As a member of the deaf community, I have personally experienced the challenges and obstacles that come with accessing services and information in Auslan.

I am reaching out to you to request that you advocate for the adoption of the report's recommendations on behalf of myself and the wider ACT deaf community. Additionally, I kindly ask that any relevant government proceedings and the government's response to the inquiry be provided in Auslan, ensuring that the needs of the deaf community are met and respected.

I believe it is essential for the government to address these issues to ensure that all members of the community have access to services and information in a language they can understand.

Thank you for your consideration and support.

Kind regards,
